

Beechcroft Infants School SEND Introduction

At Beechcroft we believe in providing every possible opportunity to develop the full potential of all our children. We aim to provide a broad and balanced curriculum and to ensure that children with Special Educational Needs and Disabilities (SEND) take part in all activities wherever possible.

Our objectives are:

- To identify, monitor and provide for pupils who have special educational needs*
- To work within the guidance of the SEND code of practice 2015*
- To work in close partnership with pupils and parents/carers to ensure that needs are recognised and met through a clear plan of aims and provision.*
- Use a 'child centred' approach. To ensure that provision for pupils matches their needs, takes account of the views and feelings of the pupil and maximises the opportunity for progress to be made.*
- To ensure that all staff are aware of the procedures for identifying, supporting and delivering the curriculum to pupils with special educational needs.*
- To work in close partnership with outside agencies to support the needs and provision for pupils who have special educational needs*
- To raise and maintain the self-esteem of all our children*
