For this month's newsletter, we have created a list of various websites that may be useful for you and your child over the summer holidays.

Cbeebies

The cbeebies website is an amazing resource.

There are a variety of games, quizzes, colouring pages to print and even shows to watch.

If you want to continue to support your child with reading or phonics over the Summer then why not take a look at the alphablocks resources:

Don't forget you can still access Purple Mash throughout the Summer and complete as many activities as you like!

We all wish you a very happy summer holiday.

See you in September!
