6th October 2026

Dear Parents and Carers

**Could you be part of something amazing?**

The Local Governing Body of Beechcroft Infant School has two Parent Governor vacancies, and we will be holding a Parent Governor Election this month.

The Local Governing Body supports the Headteacher in ensuring that the school offers pupils and staff the best learning experience and environment. The Governors meet at the school six times a year on Wednesdays or Thursdays from 7pm - 9pm to review and discuss a number of topics including Safeguarding, Behaviour and Attendance, SEND and Inclusion, and Quality of Education. Governors are also encouraged to come into Beechcroft throughout the year to support their understanding of the school's strengths and challenges through personal experience.

The Local Governing Body is vital to the effective running of the school and through this work Governors make a positive difference to the lives of young people. If you are passionate about education, have the time to commit to this venture and currently have Parental Responsibility for a pupil registered at the school, then please consider putting your name forward for election.

You will be joining the Beechcroft Local Governing Body at an exciting time following the school's recent transfer into the Blue Kite Academy Trust. The Trust offers a comprehensive induction to new Governors with ongoing training and support available so please don't be deterred if you have no experience in education or school governance.

If you are interested in becoming a Parent Governor and would like to discuss the role further, then please email our Governance Professional, Emma Legg at: elegg@governors.bluekitetrust.org

Kind regards

Mrs J Rutt
