Acceptable use agreement for devices and technology.

At Beechcroft we know that using lots of different technology is an important part of our learning. These are the rules we need to follow to keep ourselves safe when online or using technology.

This is how we stay safe:

- I will ask a teacher or adult if I want to use the computers/tablets.
- I will only use activities and AI sites that a teacher or adult has told or allowed me to use.
- I will take care of computers/tablets and other equipment.
- I will ask for help from a teacher or adult if I am not sure what to do or if I think I have done something wrong.
- I will tell a teacher or adult if I see something that upsets me on the screen.
- I know that if I break the rules, I might not be allowed to use a computer/tablet.
