

# Home Learning Ideas for Spring 1

Our topic this term is 'Brilliant Brunel'.

Please see the Curriculum Plan to find out more about what will be learning this term.

## What will you choose to do?

Try one activity a week or go for more if you want!

Please be ready to share what you have done throughout the term.

Either bring it in, share a photo or picture or just talk about it.

- Visit a library and borrow a book about something that interests you about the topic, such as journey, transport or something else that interests you.
- Log onto Purple Mash and complete the 2 Do's that are set by your teacher
- Make a map of a journey that you have been on, such as your journey to school.
  - Make a picture or a collage of a train, railway or bridge.
- Learn to recognise and name places around Swindon. Do you know where these place are and what you can see and do there? *The Orbital Shopping Centre, Lydiard Park, Coate Water, Shaw Ridge, The County Ground*
- Make a model of a Swindon Landmark using construction materials (e.g junk materials, collage, construction, playdough). You could make a Magic Roundabout, the Oasis dome swimming pool, a miniature Town Gardens or the trains from the Steam museum.
- Visit a place in Swindon and take some pictures from your visit to share with us all.
  - Move in different ways and show us how you can 'move your body'.
- Help make something to eat, like some biscuits, cake, or sandwiches and share it with your family.
