

Home Learning Ideas for Autumn 1

Our topic this term is 'Marvellous Me'.

Please see the Curriculum Plan to find out more about what will be learning this term.

What will you choose to do?

Try one activity a week or go for more if you want!

Please be ready to share what you have done throughout the term.

Either bring it in, share a photo or picture or just talk about it.

- Visit a library and borrow a book about something that interests you.
- Make a picture or a collage of your house and your family.
- Go on an autumnal walk and use your senses:
What can you see? What can you hear? What can you smell? What can you touch? What can you taste? (at home 😊)
- Write lists at home - shopping list, list of your toys, your family members etc.
- Visit somewhere in your local area and look for different human (natural) and physical (man-made) features. You could write a list of these things you find.
- Move in different ways and find different ways to balance at home.
- Help make something to eat, like some biscuits, cake, or sandwiches and share it with your family.
- Practice counting in steps of 1, forwards and backwards from different numbers.
- Log onto Purple Mash and complete the 2 Do's that are set by your teacher
