

All Schools within Stratton Parish

February 2026

Dear Headteacher,

I hope this message finds you well.

I am writing on behalf of Stratton St Margaret Parish Council to ask for your help in sharing information about our Stratton Direct Pantry with families who may be experiencing financial difficulty or finding it hard to manage food costs.

The Pop-Up Pantry is a friendly, welcoming, and discreet service for local families in need of a little extra support. There is no referral process required — families can contact the Parish Council directly and we will respond sensitively and confidentially.

We understand that circumstances can change quickly for many households, particularly with the rise in cost of living and our aim is simply to offer practical help in a supportive and non-judgemental way.

If you are happy to do so, we would be very grateful if you could share this information with parents and carers through your usual communication channels. I have also provided you with a poster which you can share.

Please do not hesitate to contact me if you would like any further details.

Thank you for your continued support of our local community.

Kind regards,

Amy Loxton
Clerk and Proper Officer to the Council
